Arabian Supplies FZE

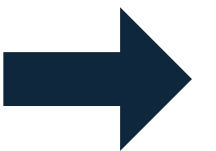

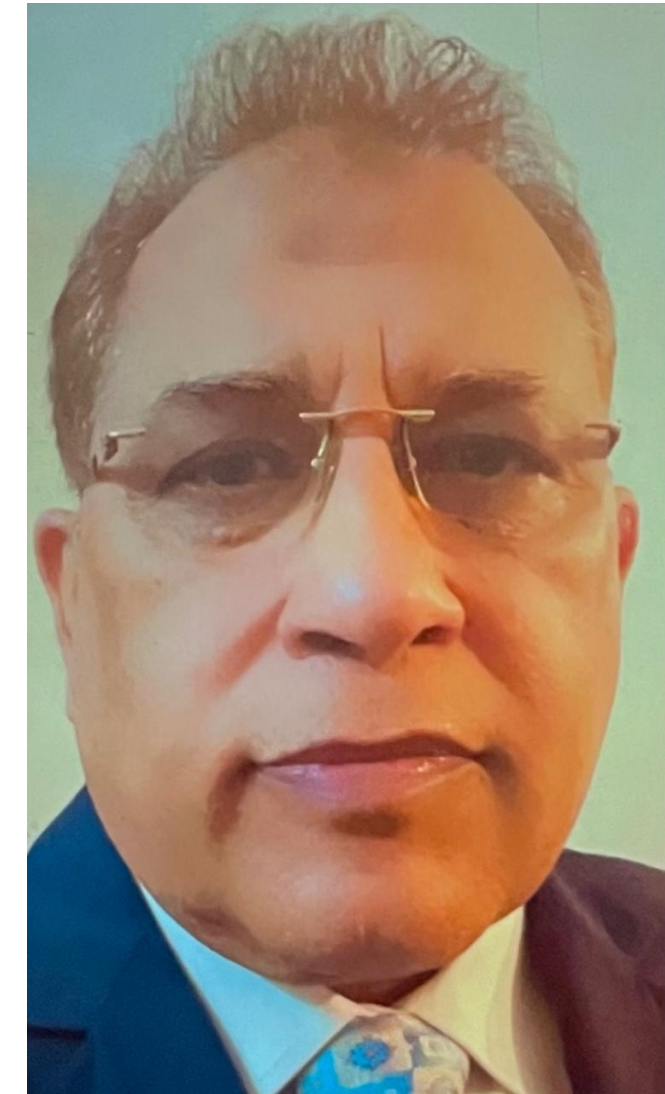

Arabian Supplies FZE, founded in 2013, is a leading business solutions establishment in the food and beverage manufacturing industry in GCC&MENA. We provide support in the manufacturing of dairy, water, food&beverages. We are expanding our professional services to supply equipment and OEM, packaging, and processing materials for small, medium, and large scale dairy, water, food, and beverage industries.

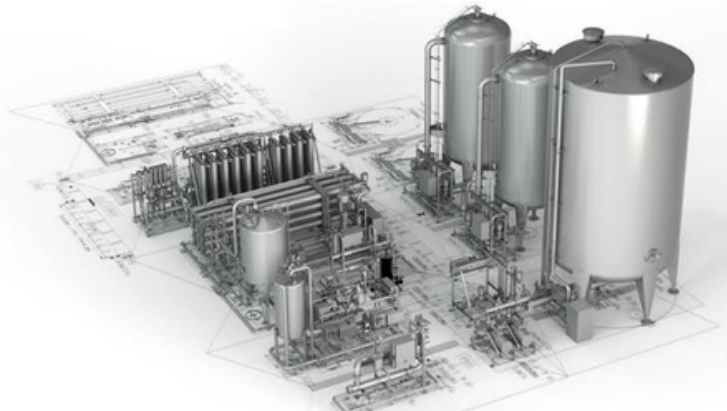

About the Founder

Mr. Fazlur Rehman, the Managing Director of Arabian Supplies FZE, brings extensive experience in the dairy, water, and food & beverage industries. His career spans over three decades, including significant roles in reputed FMCG companies such as UNIBEV, Gulf Union Foods Company, and WFI AlRajhi Group. Notable achievements include overseeing the merger of 7UP Bottling Co. and National Bottling Co., managing operations for various factory businesses, and contributing to the design of state-of-the-art manufacturing facilities.
